The Alliance of Divine Love Newsletter

AUGUST 2023

August is the pinnacle of the seasons, when the gradual rise in temperature and intensity begun in springtime first gives way to a sense of standstill, a pause before the energetic descent toward autumn and preparing for harvest.

There's a need to evaluate where we are and where we intended to be by now, because we know that winter, though still distant, is coming. Time for a reset.

Remember to do what makes you happy, and let go of the expectations of others. The best spiritual navigation is being true to yourself.

Vision Quest

Part 1 - Seeking a Vision with Intention for the Renewal of the Alliance of Divine Love

Through a panoramic, sacred journey of the Medicine Wheel, guided by American Indian Spirituality elders Rev Dr Kara Hawkins and Rev Janet Olson, we will Spirit ourselves into the Dreamtime through sacred voice, song, and percussion. We will be accompanied by the Spirit Keepers of the Four Winds, who will guide us in our journey from our Birth, through our Growth, and then through space and time of ADL's transition, and our roles as ministers manifesting our intention for the Renewal, the Rebirth of the Alliance.

Part 2 - Seeking and Manifesting our Intention through "Journaling While Journeying"

Our vision quest continues through the rest of Friday and through Saturday, where we will move as shamans between worlds, yet at the same time experiencing both, the Physical and Spiritual "Journaling While Journeying." You are invited to take your journals with you to catch your inspirations and dreamtimes relating to the visions and guidance you have received for the renewal of ADL, and your role in its manifestation.

Part 3 - Sharing our Vision for the Renewal of ADL

Our Sunday Service will be a time for sharing our experiences and visions we received, accompanied by voice, song and music in between.

The Panorama of the Medicine Wheel

- The North Direction: TRANSITION and release into the Great Mystery, the All That Is, the Akashic records, your higher self – your alignment with Great Spirit – Your ally, BUFFALO, spirit keeper of the North, Midnight, Winter, the element of Fire.

The Junkman

by Rev. Estelle Thibodeau

There is a little house on a certain street that I walk by nearly everyday. The house has boards and plastic bags covering most of the windows. The front door is painted the same charcoal black as the plastic bags on the broken windows. The porch is a small stoop of dilapidated wood and broken planters holding dried withering blooms and green wandering weeds. On occasion, there is a man that sits there with his front door partially...
