The Alliance of Divine Love Newsletter

SEPTEMBER 2023

Welcome, September! There's an energetic sea change in the air, as the super-intensity of the past few months moves into an integrative phase. The fall equinox is a moment of transition from outward focus toward inward focus that will last until December's winter solstice. Patterns emerge from the chaos of busy-ness, vacations, job changes, health crises, school registrations. We start to see where we've been headed all along, though we couldn't grasp it before now.

Let's be grateful for this moment of recognizing what we've learned and experienced. We can thank our Higher Power for this harvest of wisdom and rebirth.

The Reason I'm Here

by Rev. Rita Scheibeck

The gurgles of a mountain stream, the conversations of nearby birds, and the buzzing of industrious insects flow past my mind as I start relaxing into my time for meditation. In these moments I rest my body and my thoughts, giving my attention to the knowing of Source Energy in my consciousness...

The Love of Source Energy

by Rev. Rita Scheibeck

I relax into the silence, reconnect to my spiritual self and restore my human mind and body to a place of calmness and tranquility. It is in this place, One with Divine Source Energy, that I begin to know the Love that Spirit has for me. When I feel it, the sensation of wholeness is indescribable and undeniable. I absorb as much as my mind...

Nurturing My Senses

by Rev. Rita Scheibeck

As I close my eyes and take a few peaceful breaths, I allow myself to settle into and enjoy my physical senses.

I feel the muscles around my eyes, my lips and my face become lax and I allow myself to feel a gentle breeze flowing over me, cooling me, comforting me, and bringing me...
