DO YOU WANT TO GIVE BACK TO YOUR COMMUNITY?

PEOPLE OF ACTION

Our club offers opportunities for our members – and those interested in making a difference – to get involved. Through meetings, social events and volunteer projects, our members learn about the issues facing our community and communities all over the world. We are partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of the Sandy Springs community and of Rotary International. Rotary is a global network of more than 1.4 million members who believe that great things happen when dedicated minds come together. We are a community of business leaders that representing different professions, experiences, ethnic backgrounds, and perspectives but share a desire to connect with others to address the challenges affecting our community and communities around the world.

“Great cities are built on strong partnerships between government, the private sector and civic organizations all working in concert to meet the needs of their needs of their citizens. The Rotary Club of Sandy Springs is one of the outstanding civic organizations that makes Sandy Springs special, and it is an honor for me to be a club member and to give back in a small way to an organization that gives so much to our community”.
