Hormonal Balance

- Women's health
- Mental health
- Pain because of hormonal imbalance
- Eating disorder

Extra themes:

- Body posture
- Vertigo and dizziness

4 days in Portugal with:

- Mobile and fixed points
- Master points
and omega points
- Case presentations
- Lots of practice

- You will learn how to use special points related directly to the disorders we will be working with.

- You will learn how to open the body and liberate energy in areas that has been suppressed because of physical or emotional traumas.

- You will have time to practice and test out all the techniques that you learn, so you can use all your new learned skills next time you are in your clinic.
