

YOUTH ACTION FOR NATURE AND WELL-BEING

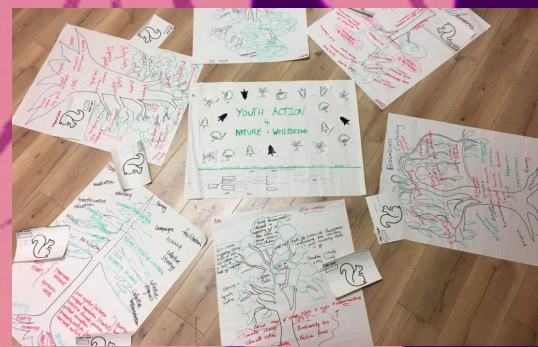

Co-funded by the Erasmus+ Programme of the European Union

Engaged 102 young people across Ireland, Slovakia, Latvia and Catalonia to co-produce a toolkit that focus on developing action competence and positive well-being among young people within eco-activism.

The project partners hosted four international youth events to trial new teaching and learning methods and co-design a set of educational tools with collaboration from the youth. The resulting toolkit was launched on August 11th 2023.

Evaluation Tool: a framework for use alongside the educational toolkit, which guides the evaluation of transformative learning.
