

THE ROSE

The Alliance of Divine Love Newsletter

NOVEMBER 2023

As we shift into the season of family get-togethers, religious/spiritual celebrations and time-honored traditions, it's easy for our personal needs to get lost in the demands of cleaning, preparing and scheduling.

If you start losing touch with your inner joy, remember that your good "mental health" rests on a strong connection between your mind (thoughts) and your heart (feelings).

Take time this month for self-compassion. Honor your need for inner communication and coherence. It's not selfish to take care of yourself, and it benefits every other relationship in your life.
