

Journey with the Oracle Inner Realm Agreements

GUIDELINES for Our Journey with the Oracle Inner Realm
PLEASE Read & Agree prior to entering the Inner Realm container

Welcome Beautiful Soul Spirit, to the Journey with the Oracle Inner Realm where we Share & Connect as a Community of Journey with the Oracle. To be witnessed, held & supported in a judgement & shame free space. You are honored, supported and welcomed here.

These guidelines & agreements are to set and hold a sacred container for all the Journey with the Oracle Inner Realm spaces, from our online portal to our Inner Realm Musings private & public space on Telegram to our Oracle and New Moon gatherings.

*A Strong container supports our transformational journeys.
We are co-creating this field of love, truth and support.*

We are here to connect as a community sharing insights, authenticity, questions and inspiration related to the downloads & messages on our Oracle Journeys from our Guides & Intuition, Moon Cycles, Womb Wisdom & Power, Divine Feminine & Masculine Energies & Empowerment, Sacred Leadership, Earth Wisdom and Heart Truth.

Let us enter this space mindfully coming from a deep place of light and love in all our interactions here.

1. **Be Responsible** ~ I take responsibility for my experience as a co-creator of this group container.
2. **Be Committed** ~ I take responsibility and commit to my own personal & spiritual inner journey and growth along the way and look for synchronicities.
3. **Be Real** ~ I hold myself with openness, integrity and full authenticity with honesty, kindness & radical acceptance & respect of myself and others at all times. I bring my open mind and heart, speak and act upon the truth of my own experience.
4. **Be Trustable** ~ I agree to confidentiality and sacredness. Holding the identity and experiences of others in confidence. I do not share the teachings or insights of other women outside the group.

5. **Be Inclusive** ~ within this sacred space that honors and celebrates all diversity & life.

6. **Be Supportive** ~ We agree to witness, honor and be supportive of each other. Not offering advice or coaching but will offer reflections when and if invited to do so.

7. **Be Generous** ~ I give my support and energy to our journey and my attention to others. I allow myself to be in the mystery of the experience and allow it to unfold.

8. **Be Present** ~ I agree to be present in mind, body, heart & soul as well with as all my senses and practice deep listening, loving kindness & empathy at all times.

I, _____ (State your name), Agree honor these agreements & guidelines while sharing and interacting in Journeying with the Oracle Inner Realm
And so it is. And so it is. And so it is.

I am Grateful for your understanding & cooperation of these guidelines in creating a safe, supportive, loving space for us all.
